

Grace Christian Academy

Parent Agreement

The School Board and Administration of Grace Christian Academy must have the full cooperation of parent(s) in order to provide consistency between home and school. GCA feels there must be a mutual understanding with regard to the Statement of Faith, Philosophy of Education, standards of appearance, conduct, discipline, and financial responsibility.

Therefore, parent(s) are asked to sign this agreement.

- We, the parent(s) of _____ have read and are in full agreement with Grace Christian Academy regarding the above mentioned.
- We will pray regularly for GCA students, faculty, and staff.
- We will teach our child(ren) to be respectful to authority, to be a diligent worker, to have a cheerful attitude, and to serve the Lord Jesus Christ.
- We will pay our financial obligations on time. We also understand that we will be required to pay for any damage to school property, equipment, books, etc., if maliciously caused by our child(ren).
- We will attend parent/school functions and be supporters of GCA.
- We give permission for our child to take part in all school activities including the use of playground equipment and school-sponsored trips away from the school premises. We agree to relieve the school and any of its employees from any liability in connection with these activities.
- We will contact the school immediately concerning any problems.
- We will not discuss a school problem with friends, other parents, or church members until it has been dealt with through the proper channels using the Matthew 18 principle.
- We understand that the school reserves the right to dismiss any student who fails to comply with the established regulations and disciplines or whose financial obligations remain unpaid.
- Disruptive Parents: Grace Christian Academy seeks to provide a stable and safe learning atmosphere. Therefore, the conduct of visitors including parents and guardians must meet this standard. Parents/guardians of students of Grace Christian Academy who disrupt the educational process by exhibiting inappropriate behavior, or using threatening language or actions will be removed and banned from school. Their child/children will also be dismissed from Grace Christian Academy. Parents/guardians who have been banned may appeal to the school board for reinstatement. During this appeal process children are not allowed to attend school. The decision of the school board and administration is final.
