Position Start Date
8/17/2023

Appointment Type
Full Time

Description

Grace Christian Academy is seeking an experienced and energetic High School Math teacher to join its faculty. This position is full-time during the school year and is salaried dependent on the candidate's experience and skillset. This teacher would teach three high school math classes - Algebra I, Algebra II, and Geometry, as well as Calculus as a senior elective. A curriculum is provided.

A successful candidate will have:

A strong Christian testimony and relationship with Jesus Christ

A Bachelor's Degree from an accredited college or university in education

A valid DPI teaching license or the willingness to obtain one

A desire to work in partnership with other teachers on staff as well as parents/families for the good of the student

For more than 28 years, Grace Christian Academy (GCA) has provided a high-quality, Christian education to K4-12th grade students. As an independent, non-denominational private Christian School, GCA challenges students to be their best in terms of academics, and more importantly, in terms of their growth as children of God. Our teachers are committed to the success of our students, and go above and beyond to support their academic achievement and spiritual growth.
