Description

For 30 years, Grace Christian Academy (GCA) has provided a high-quality, Christian education to K4-12th grade students. As an independent, non-denominational private Christian School, GCA challenges students to be their best in terms of academics, and more importantly, in terms of their growth as children of God. Our teachers are committed to the success of our students, and go above and beyond to support their academic achievement and spiritual growth. GCA is a participant in the Milwaukee Parental Choice Program.

Grace Christian Academy is seeking an experienced and energetic High School Science teacher to join its faculty. This position is full-time during the school year and is salaried dependent on the candidate's experience and skillset. This teacher would teach Bible, and 9th-12th Sciences. A curriculum is provided.

A successful candidate will have:

A strong Christian testimony and relationship with Jesus Christ

A Bachelor's Degree from an accredited college or university in education

A valid DPI teaching license or the willingness to obtain one

A desire to work in partnership with other teachers on staff as well as parents/families for the good of the student

Applicant Qualifications:

- Bachelor's degree from an accredited institution
- Valid DPI teaching license
- Solid Christian testimony and active involvement in a local church

Job Duties (to include but not limited to):

- Creating and implementing high impact instructional programs
- Ability to partner with both teachers on staff as well as parents/families
- Follow and maintain standards set forth by administration, DPI, MPCP and federal guidelines
